

## Nelson Conservation Commission meeting minutes

May 12, 2011 7PM Olivia Rodham Library

Members Present: Bert Wingerson, Bud French, Marshall Davenson, Anne McBride, Kathy Schillemat

1. NCC voted to approve \$1500 to the Granite Lake host program.
2. DES has concerns about E. Tolman's dock.
3. NCC sponsored speaker
  - a. Steve Robarge has agreed to present a talk about Bats at the Nelson Town Hall.
  - b. Currently planning on Thurs. Aug. 4<sup>th</sup> as the date.
  - c. Discussed the possibility of another speaker in the fall.
4. Conservation Library
  - a. Kris has agreed to create a space for the library.
  - b. Library intended to be used by various town boards & committees to help educate them on conservation issues.
5. Invasive Species
  - a. Kathy suggested we look at identifying and possibly eradicating invasive species on town land.
  - b. Will discuss measures we could take to educate town citizens about invasive species in the future.
6. NCC attended a joint meeting with the Planning Board, per invitation by the Planning Board. Items discussed:
  - a. Possibility of having a common member, which would be helpful with modifying zoning ordinances and helping with the Master Plan.
  - b. Placing known locations of vernal pools on maps.
  - c. Evaluating building lot sizes based on soil types.
  - d. Ways the NCC can contribute to the formation of the new Master Plan.
7. Next meeting 7 pm June 21<sup>st</sup> Olivia Rodham Library
